

OMNIBRIDGE HOLDINGS LIMITED

橋英控股有限公司

(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8462)

ANNOUNCEMENT OF INTERIM RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2017

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET OF THE STOCK EXCHANGE OF HONG KONG LIMITED

Growth Enterprise Market (“GEM”) has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”). Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors of Omnibridge Holdings Limited (the “**Company**” and the “**Directors**”, respectively) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “**GEM Listing Rules**”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

The original announcement is prepared in English language. This announcement is translated into Chinese. In the event of any inconsistencies between the Chinese and English version, the latter shall prevail.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW AND OUTLOOK

We are a Singapore-based human resources service provider for around 11 years and we started providing human resources services in Hong Kong in 2009. We are principally engaged in the provision of human resources outsourcing services and human resources recruitment services. For human resources outsourcing services, we source and employ suitable candidates that match the job descriptions specified by our clients and then second them to our clients. For human resources recruitment services, we identify, screen, assess and procure qualified candidates to be employed by our clients generally for positions at all levels, including administrative, executive, managerial and professional, to suit our clients' business needs.

The Group's competitive strengths include (i) solid track record of providing human resources services to public sector in Singapore; (ii) vast pool of candidates registered within our database; (iii) long-term and stable relationship with our major clients; and (iv) stable and experienced management team.

Looking forward, we will continue to seize opportunities to strengthen our position in the human resources services industry in Singapore by (i) strengthening our market position in the private sector in Singapore through expanding our human resources outsourcing and recruitment services in Singapore ; (ii) enhancing our market penetration in Hong Kong through expanding our human resources recruitment services in Hong Kong ; (iii) enhancing our brand awareness ; and (iv) enhancing our IT system to support our business operations.

With the Group's experienced management team and reputation in the market, the Directors believe that the Group is well-positioned to compete against our competitors. The Group will pursue the strategies mentioned above to further strengthen our position as an established human resources services provider both in Singapore and in Hong Kong.

Though we opine that the coming years should continue to be challenging for the human resources services sector, the Group remains cautiously optimistic about the outlook of the human resources services industry in Singapore and in Hong Kong. In particular, we have noticed that more and more enterprises are planning to hire their staff through human resources services provider and henceforth our Group considers that more human resources services will be demanded by our existing and/or potential customers.

We are optimistic towards our core business and shall continue to capture market opportunities so as to achieve a sustainable business growth and long-term benefits of our shareholders.
